

## News to Families

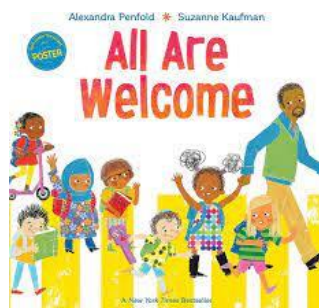

October 27<sup>th</sup>, 2023

***This week we had bus safety presentations for all students from K-8. Our K-3 students received an activity book and enjoyed a buster the bus presentation. Our students in grades 4-8 participated in a presentation that focused on safety and expected behaviours on the bus.***

**1. Thank you!** To our School Council and Home and School members and volunteers who put on a very successful cake day yesterday. A big thank you to those families that donated. There were some real masterpieces on display – there is a lot of talent in this community! Wow!

**2. Book of the Month:** Many of our younger students have been reading *All Are Welcome* Here and we have shared some pages from the book over our morning announcements. If you, and your young reader are looking for a book that embraces and celebrates kindness, inclusivity and diversity this book makes a great read aloud.
