

News to Families

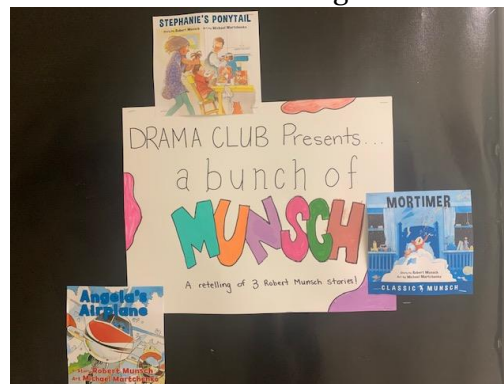

June 7th, 2024

1. As we approach the final weeks of the school year, we have a great deal to look forward to and celebrate together! We also have a great deal of work “behind the scenes” as we prepare for a successful September for our sharks. This time of year, brings many transitions, including saying good bye to some staff, and welcoming others to Stoneybrook. Staffing updates will be shared towards the end of the school year. At this time, I would like to share that I am moving as principal of Stoneybrook to another school in the fall. I will greatly miss the students, staff, and community as it is the people here that make this place so special. Thank you for a wonderful three years. I am grateful. Once a shark, always a shark!

We are excited to welcome Mr. Kevin Gordon as the incoming principal for the 2024/2025 school year. Mr. Gordon brings with him several years of experience as a principal with TVDSB. His enthusiasm and passion for education make him a great fit for the school community.

2. Congratulations! We celebrate our drama club who have put on three remarkable shows for our students and families. A Bunch of Munsch! Was a high energy reading of Robert Munsch classics with the characters coming to life. Bravo!

3. Public Library: Masonville Public Library is coming to the school on June 19th to talk to the students about summer programs running at the library. See the links here:
